November 14, 2023

The Fond du Lac School District kicked off the year with a new era, and it has been a great start. New standards are set for our future. The entire Fond du Lac community has united to welcome a culture shift from a status-quo organization to a learning organization focused on continuous improvement. The community has come together as a result of an approach to building systems and supports that improve teaching practices while focusing on each and every student's learning. We have united in a student-centered commitment that supports continuous growth.

The Fond du Lac story for the 2023-24 school year begins with the data from last year. We are pleased to note a significant improvement in 10 of our 14 schools from last year. In fact, 13 of our 14 schools are meeting or exceeding expectations. Fond du Lac High School is now meeting state-level expectations for the first time since the 2013-14 school year. Chegwin Elementary saw a 16-point score improvement and met expectations for the first time in six years.

Nine of our 14 schools are exceeding expectations on the DPI Report Card. Evans Elementary, a National Blue Ribbon School for 2023, significantly exceeded expectations, as well as Lakeshore Elementary (up from exceeds expectations on last year's school report card).

The chart below presents our rating for the Fond du Lac School District (as a whole) and our individual schools in relation to Wisconsin DPI expectations. These results highlight some of our successes and identify potential areas of focus for the district. It is important to remember that these report cards are just one source of information about the schools in our district.

	<b>2022-23 Score (+/- Change)</b>	<b>Rating</b>
Fond du Lac School District	65.1 (+1.0)	Meets Expectations
Chegwin Elementary School	68.7 (+16.0)	Meets Expectations
Evans Elementary School	85.6 (+1.9)	Significantly Exceeds Expectations
Lakeshore Elementary School	84.0 (+7.0)	Significantly Exceeds Expectations
Parkside Elementary School	65.5 (+4.9)	Meets Expectations
Pier Elementary School	74.1 (+5.6)	Exceeds Expectations
Riverside Elementary School	79.4 (+4.7)	Exceeds Expectations
Roberts Elementary School	67.0 (+0.2)	Meets Expectations
Rosenow Elementary School	78.0 (-8.2)	Exceeds Expectations
Waters Elementary School	77.7 (-11.5)	Exceeds Expectations
Sabish Middle School	73.7 (+6.2)	Exceeds Expectations
STEM Academy	71.3 (-5.2)	Exceeds Expectations

Theisen Middle School	70.1 (+1.2)	Exceeds Expectations
Woodworth Middle School	55.2 (-6.2)	Meets Few Expectations
Fond du Lac High School	58.3 (+1.2)	Meets Expectations

We are pleased that our story is trending in a positive direction. We acknowledge that there is always room for improvement and as we look ahead to the remainder of the school year, our commitment remains unwavering in holding ourselves and our students accountable to build upon this growth and achievement in the upcoming chapter.

This data becomes available to the public in November and you can access school and district report cards [from the DPI's website](#), along with resources that explain the state-mandated ([Wis. Stat. 115.385](#)) report cards.

We look forward to continuing to collaborate and support one another in our Fond du Lac Community to ensure a successful 2023-24 school year.

Respectfully,

Dr. Jeff Fleig  
Superintendent
